Boys and Girls Who Graduate This Month

Brief Writeup About Class

In this issue we are displaying the 1936 graduating class.

Do you like their looks? We do. In fact, they have sort of grown on us. This particular group of youngsters have been at the Orphanage a total of 177 years, an average of a little over nine years (which is a rather long time!).

This class is entirely made up of Orphanage children. For the first time since way back in 1930, there has not been a single class without some of the "town" boys and girls being in the number. The class of 1937 will make up for this condition by having three.

There are two brothers and two sisters among those who graduate this year. This may account for the unusual harmony that seems to prevail at all times.

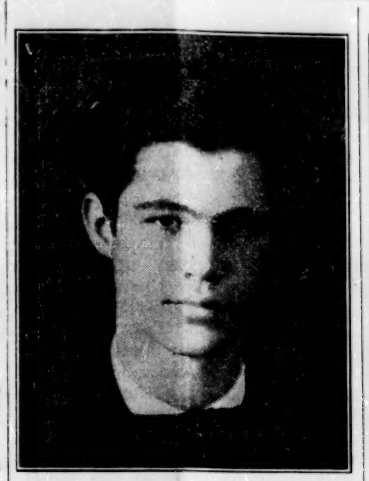
Taking it as a whole, we thoroughly recommend this class for all of the usual virtues and some very unusual ones. They are easy to get along with. They are quite willing to carry their share of the load and are not afraid of being imposed upon.

They get along well together, and with other folk, and they are pretty good kids — even if we do say it, as shouldn't!

Georgia Burgin has been in the Orphanage the shortest length of time—just a little under six years. Angelia Fowler has been here the longest—14 years.

Bernice Stone is the "baby" of the class, having just turned sixteen.

Ernest White is the "grand-pappy". He himself has forgotten just how old he is!



BEN MORROW is from Davidson. Ben stayed a "little" boy until just a year ago. Then, while we were not looking, he suddenly grew up. His voice changed and he suddenly transformed from a little boy into a pretty good-sized man. Ben is a good student, a good boy, and hopes to go to Appalachian College. He has been quite a basketball player and football player, and is going to be missed. Entered in 1924.

RALPH SPENCER blew in from Hickory 11 years ago. He grinned every time he had his picture taken. The only thing that has not changed him in these 11 years is that grin. He has worn out one set of teeth and is now working on his second set. An outstanding boy in every particular. A fine football player, standing absolutely at the top in wrestling, and indispensable in track. He plans to work at Barium as Assistant Dairyman next year.

MARGARET WILSON, one of the Wilson sisters from Union County, plans to live in Charlotte, which is a good break for Charlotte. Margaret has not gone out for athletics, nor anything in particular, but she is mighty good company, and a most popular girl. She came to us in 1933.

JOE WHITE, the younger of the two brothers, is another one of those youngsters who is going to be sitting right up at the head of the class when diplomas are given out. He hopes to go to college, if there can be some way open. A civil engineer seems to be his choice, but if a good job shows up, watch him grab it. Both the White boys are good athletes. Ernest was captain of the wrestling team, and state champion in his weight two years ago.

BERNICE STONE (The Baby) started school early and just refused to fail in any grade. She now is graduating and is anxious to go to college. Very likely her name will be on the Appalachian roll this fall. A good student, an unusually good athlete. She knows how to do things and has enough "chin" to carry her over obstacles. She came to us from Hickory in 1925.

IRENE FORT is from Oxford. She is number four in a family of five and a sister of those Fort twins that made such a good record at Davidson. She plans to live with her brother in Greensboro. Entered in 1924.

DEWEY BARNHILL came from Winston-Salem in 1928. He is one of the pals of the late Rev. George W. Lee. Anybody who remembers Mr. Lee knows that he always had a lot of boy pals. The Orphanage has tried to continue the good work that Mr. Lee started. Dewey finishes up and hopes to enter Appalachian College, and you will be hearing from him there. He is about the biggest boy in the class. A good football player and a good wrestler.

ERNEST WHITE came from Gastonia ten years ago. Ernest has only one eye. You would have difficulty in finding that out unless you happened to catch him at a time when he left his room unlocked and in some other boy's room. He says that when that happens, he always leaves his glass eye in his room to watch his things to see that nobody takes them away! The boys say he can see out of that glass eye as well as he can the other. Anyhow, he is a regular fellow, and most popular. He is looking for a job. He is capable and ambitious and we know he will make good.

MARGARET MOORE, from Raleigh, is the last of a family of four. The Baby of the family, understand! But she has just about outgrown the rest of the family. When Margaret is in a bad humor you know there must have been two or three floods in the immediate neighborhood. She hails from Raleigh, has been here 11 years.

ED FLOWERS, from Johnston County, is one of that bunch of Flowers that was sent to us from that county 12 years ago. Ed has been captain of the football team and captain of the wrestling team; and that means he must have been mighty good. He also shakes a mean foot on the track team. Ed has been cashier of the savings bank for the last two years. He hopes to go to Davidson.

MILTON GASKILL is from Washington. He had some physical handicaps. He set out to overcome them by outdoor exercises and became one of the outstanding athletes and students at Barium. Only weighing 124 pounds, he was good enough to be a regular on the football, basketball, wrestling, and track teams; and will no doubt acquire more letters for athletic performances than any boy who has ever been at Barium. He had the distinction of being declared North Carolina Junior Olympic Champion and earned a trip to Atlantic City when he was just 12 years old. He hopes to go to N. C. State and become a farm demonstrator. He has already demonstrated something! Entered in 1928.

ANGELIA FOWLER, the oldest inhabitant at the Orphanage right now, entered as a little bit of a curley-headed girl from Burlington. Now she is a big girl, but still curley-headed. And still a lot like the same little youngster who came in 14 years ago. She is a good athlete and they tell us that she is a good tap dancer, too. She will live with an uncle in Chicago. Entered in 1922.

ROY WILSON came in eight years ago from Stony Point. He is little and he is white-headed. He took to football even as a little chap and made the 100-pound team when he did not weigh but 80 pounds. By the time he got to be 100 pounds, the 100-pound team was too easy for him, so he made the 125. After playing on that one year, he was put on the varsity. In fact, they couldn't keep him off! Other teams called him "White

Lightning." He hopes to go to college.

GEORGIA BURGIN is from Belmont. She hopes to go in training, probably in Watts Hospital at Durham. She ought to make a good nurse. She is good at everything else. Entered in 1930.

CHARLES GALLYON is from New Bern. A good football player, a good track man, and an extra good basketball player. He is looking for a job, and the man who gets him will be fortunate. Entered in 1927.

LOUISE WILSON, the younger of the Wilson girls, will be right up there at the front when scholarship honors are given out. A good student, a good athlete, and a good girl. She also plans to live in Charlotte.

EVA SLUDER is one of a family of three girls from Thomasville. At one time we thought she was puny, but if you happen to be standing near her when she slaps a basketball you will realize that she is not puny now. A splendid athlete, a most cheerful worker, and can always be depended upon to carry a little more than her share of the load. Has been here since 1924.

SADIE EUDY is the girl that lends color to the class of 1936. She came from Mecklenburg county in 1928, and is one of four sisters here, three of them red-headed. Sadie is a girl that somehow has a nack of doing well anything that she attempts. She will very likely remain at Barium for a year or two as an assistant matron. She is a member of the basketball team.

FRED EDWARDS came from Fayetteville. He hopes to go to college. He is about the most popular member of the Senior Class. He has had to overcome a good many difficulties in his school career, whipping a bad case of tuberculosis being one of them. He has taken all the hurdles with a grin. He entered in 1925.

ODDS AND ENDS PLUS THIS AND THAT

Memorial Gifts

During the 1935-1936 fiscal year $308 50 was sent to the Orphanage in memorial gifts - sums that were forwarded to Barium in lieu of sending flowers to the funerals of friends. Seventy-two different people sent this total, for an average of a little over $4.25 each. Of this aggregate, $159.50 was received at the Orphanage from 45 persons in the past four months, which is indicative of the increasing popularity of this plan of paying tribute to friends and at the same time tremendously helping the Orphanage. This idea of sending money to Barium instead of a floral design to funerals originated in Statesville a number of years ago, but it has materially spread to other parts of the state in the past year or two.

For The Messenger

In 1935-1936, 45 friends of the Orphanage expressed their appreciation of The Barium Messenger by sending $88.90 to the institution to help defray the cost of publishing 22,000 copies of he paper 12 times a year. That sum would have paid for the postage for seven months. Orphanage officials are encouraged that an increased number of people are voicing their appreciation of the publication and are helping in its support. This is more than was contributed in 1934-1935, which is further cause for gratification.

Quartet Wins Prize

Four of the Orphanage girls, Bobby Marlowe, Olive Gaskill, Elmaree Smith and Lugene White, won first prize of $10.00 at a Major Bowe's program at the Playhouse Theatre in Statesville one night last month. This is the same quartet that rendered a number of selecions at the Orphanage on the night that the civics clubs had their supper here. These girls will later participate in another contest, when the winners of each night's entertainment over a period of several weeks will participate for the grand prize of $25.00.

They Start Young

Phil Willer, 4 years old, and his sister, Emily Willer, who is 5 years of age, who live at Kannapolis, together sent the Orphanage $1 50 in March, and said that officials here could expect this same amount every month in the future. What a fine thing these youngsters are doing, and when they grow to be grown people we have an idea that their liberality toward the Orphanage will be even more pronounced.

Choir Visits Barium

The A Cappela choir of Mitchell College of Statesville visited the Orphanage one Sunday night in March and rendered a splendid program. They make an annual visit to Barium, and the people at the Orphanage keenly anticipate the appearance of this excellent choir.

Mighty Fine, Mighty Fine

The Young Men's Bible Class of the Greensboro First Church has voted an apportionment of $100.00 to the Orphanage during 1936-1937 to help toward the support of a particular child. The Class felt that it was unable to meet all of the obligations but wanted to pay this portion of the yearly expenses of an orphan, and has already sent in $25.00 for the first quarter. Many Men's Classes and Men's Clubs are doing this nowadays, and the idea of selecting a particular boy or girl for an organization to support or help support has grown in popularity.

Georgia Wrestlers Beaten

Although the wrestling season had been ended, nine dual matches had been won and the state high school crown had been tucked under their belts, the Barium wrestlers participated in an extra match, accepting an invitation from Atlanta, Ga., Y. M. C. A. matmen. Barium was therefore able to add another victory to their long string, for the Atlanta team, on which there were state champions and a college champion, was subdued, 26 to 18.

Read This and Applaud

In the mail recently came this letter from a pastor, "I am enclosing a check. This comes from a young lady in our congregation who has been a helpless cripple for several years. She has been putting the pennies into a box as they came in and has saved this many. She asked me to send it to you. * * *" What a blessed gift this was! Physically handicapped in earning her own livelihood, this young lady saved her pennies to share with the children at the Orphanage. It puts some of us to shame to think of the privileges we have of a sound body and a physical capacity to earn money, and how we sometimes fail to share these things with the Lord. Yet this person, denied those things, has sacrificially given to aid the Orphanage.

It Wasn't Necessary

One lady was interested in having her Sunday School adopt the Offering-per-month plan. The Sunday School Superintendent said it couldn't be done, because every cent was needed for current expenses. She made this proposition, "If you'll start giving Barium an offering-per-month I'll personally make up any difference necessary in the literature costs." That was at the outset of 1935-1936. The year is over now, and the lady asserts, "I haven't paid any literature costs, the offering-per-month has been given to the Orphanage, and the other Offerings throughout the year substantially increased." That's a great testimony, but it can be repeated again and again, for many Sunday Schools have found this to be true.

Pleasing Performance

The Orphanage population was delightfully entertained one morning in March when an American Indian, who goes by the appellation of Blue Sky Eagle, gave a performance here. His services were gratis. This is the second time he has visited Barium, and his performances have been informative and enlightening to the children here. You'll find this mentioned quite frequently in the cottage news in this issue.

Evangelistic Services

Dr. Carl W. McMurray, pastor of the Front Street Presbyterian Church of Statesville, has accepted the invitation of Little Joe's Church to conduct the spring evangelistic services. These will begin on Wednesday morning, April 29th, and continue through Sunday. Dr. McMurray will speak twice daily, except on Saturday. This minister is a near-neighbor, and came to the Front Street Church within the past year. He will be cordially welcomed.

May Birthdays

Orphanage children having birthdays in May include Grace Cayton, Mary Duffie Coppedge, Betty Joe Smith, Betty Lou Davis, Elizabeth Johnson, Dorothy Shepherd, Janie Smith, Ruth Lee Vinson, Elaine Faircloth, Mary Lynn Jones, Joyce Weeks, Lucile Johnston, Flora Mae Smith, Alice Jones, Grace Roberts, Dorothy Weeks, J. D. Everett, Herbert Good, A. C. Gant, Cecil Shepherd, James Shepherd, Standish McKenzie, A G. Norris, Jack Weeks, Lacy Beshears, Leslie Smith, John Donaldson, Eugene Shannon and Joe White. That's 29 children who have birthdays next month. That'll make a long birthday table.

More Churches Ahead

The March issue of The Messenger carried the names of 200 churches or mission points which had either equalled or exceeded the total sums contributed to Barium in 1934-1935. During March, 37 others had this distinction. They included Goldsboro and Pinetops in Albemarle Presbytery; Hebron, Hickory First. Little Joe's, Morganton, Patterson, Siloam and Tabor in Concord; Maxton, Mt. Tabor, Olivia, Raven Rock, Red Springs and Smyrna in Fayetteville; Belmont and Lowell in Kings Mountain; Hopewell, Mulberry, Ramah, Sharon, St. Andrews and Tenth Avenue in Mecklenburg; Bessemer, Burlington Second, Chapel Hill, Graham, Madison and Red House in Orange; Acme, Bladenboro, Clarkton, Jacksonville, New Hope, Southport, Winter Park in Wilmington, and North Wilkesboro in Winston-Salem Presbytery. In the early days of April, when sums on the old year were being received, 43 more churches went ahead of last year's total. That's 280 ahead, but there will be more before the books are officially closed on April 15th. If space permits, the churches which made this distinction will be recorded in the May issue of the paper.

Cottage News

BABY COTTAGE

Several days have gone by and we were too busy, forgot or felt there was very little happening out of the ordinary things. Of course, where there are as many little people as we have in our cottage something is going on all of the time, even if it is only the noise.

We have had a few warm days and my! we did enjoy them, too, for we got to play outside. After being shut in for such a long time it was a treat. We even got to take off our long stockings and put on socks, but when it began raining Mama McGirt told us to put back on our stockings. While we don't care much for the long ones, except to hang up for Santa Claus to fill, they do keep us warm.

Well, one by one and two by two we kept it up until most all of us have had a few days at the Infirmary with the flu. We are all home once more and are having a great time together.

May Frances Strickland had a visit from her mother and an older brother. Doris Gant's uncle and family came to see her. He gave us all some big lead pencils.

One day it thundered and there was lightning, then we had a real good snow, but it was too wet to play in.

A half-holiday was given the teachers because they had to go to a teachers' meeting.

There was a real good picture recently, named "Rose Marie," and two of our girls went to see it.

We had the pleasure of having Rev. and Mrs. McLaurin of Rowland spend the night with us on March 17th.

We hope it will stay pretty so that we can soon go barefooted. Oh, boy! Will we like that?

One Saturday we had some visitors from a church in Charlotte and we enjoyed them very much. They gave us some chewing gum and, much to our sorrow, a little girl got some in her hair.

We have been playing in the sand and working some on our flowers. We thought we were pulling weeds, but it turned out to be flowers, so we stopped.

We had a very lucky day this week. The Home Circle of Graham Auxiliary sent us a lovely quilt pillow top. Then, Mrs. Jim Hill, of Statesville, made us a visit and brought us some delicious jellies and preserves from her Circle of the Statesville First Auxiliary. Thank all of you who had a part in this. We feel sure that if you received as much pleasure from fixing it as we do in receiving it, you have plenty.

Mr. Johnston took us to see "The Milky Way," in which Harold Lloyd played the leading part. It the new school building to see a program given by an American Indian named Blue Sky Eagle. That was real good, too. He did the war dance, harp dance, and two other dances for us. We didn't catch on to all the Indian signs he did, but we remember some of them. Blue Sky Eagle showed us a scalp, told us about his headdress, showed us his bow and arrow and talked Indian talk which sounded funny to us. We

GRADUATION PROGRAM SCHEDULED IN APRIL

Commencement time is at hand again, and within a few days after you read this, ten boys and nine girls will be ready to leave the Orphanage after having spent their formative years at the institution.

On the first and second pages of The Messenger this month you will see the pictures of all of these 19 boys and girls who have had their preliminary training at the Presbyterian Orphans' Home, a write-up about the class as a whole and individual comments for each member.

This will mark the close of the 44th session of the school here.

Next Monday night they will begin scattering after the conclusion of the final exercises on April 27th.

The graduation exercises begin on Friday night, April 24th, when the grammar and primary grades will have charge of the program with certificates being awarded to those who are being promoted to high school for the 1936-1937 session. Class day exercises will be Saturday, April 25th, at 10 a. m.

Rev. W. W. Akers, pastor of the West Avenue Presbyterian Church in Charlottte, will preach the baccalaureate sermon on Sunday, April 26th, at 11 o'clock. These exercises will be in the auditorium of the grammar school building, where all of the graduation events are being held. Sunday night, Rev. Harry K. Holland, pastor of the Plaza Presbyterian Church, also in Charlotte, will deliver the annual sermon to the Young People's Societies.

The final exercises will be featured by the commencement address, to be made by Rev. Kenneth J. Foreman, D. D., professor of Bible and philosophy at Davidson College. At the closing exercises Bibles will be presented to each of the graduates, the Ace medal will be awarded and other medals and prizes for scholastic attainment and improvement will be distributed, and diplomas presented.

Louise Wilson has been declared valedictorian of the class by virture of her excelling scholastically in the four years of high school, with Joe White giving the salutatory address because he was runner-up for high honors.

Officers of the graduating class are Joe White, president; Angelia Fowler, vice-president; Charles Gallyon, secretary-treasurer; Louise Wilson, historian. Mabel Milton is class mascot, the colors are green and silver and the motto is "Build for Character and Not for Fame".

The senior class play was given at the Orphanage two nights this year. The first presentation on Thursday night, April 9th, was for the Orphanage population, and the one on the next night was for outsiders. The play was "Poor Papa." The cast of characters will be published in next month's issue of The Messenger.

was funny and we liked it.

Douglas Davis' mother came to see him and brought him some fruit. His grandmother sent him a toy of Donald Duck and when it is pulled around its arms wiggle.

Mama McGirt and the big girls have started spring cleaning. They have already cleaned out two play wards and are going to clean our sleeping wards. They washed the windows and curtains and everything just shines. But we're afraid they won't stay that way.

Mabel Milton has been coming over to see us often and we like to play with her.

This morning we went over to had a good time and hope he will come again.

—The Babies

P. S. We bragged too soon about all being well. Our two youngest babies, Douglas Davis and May Francis Strickland, are at the Infirmary with colds. We won't brag so soon next time 'cause we all want to be well. Douglas doesn't feel ducky-wucky now, even though he has Donald Duck.

HOWARD

Hello Folks:

Here we are again. This is Station HC broadcasting.

Last week an American Indian entertained us by his dances and telling us about Indians. We enenjoyed it very much.

We are glad that school is almost out, so we can play more. We are studying hard for our final exams. Commencement will be April 27th. Most of our girls will have a part in the program.

The seniors are going to have a play Friday night. All of us are anxious to see it.

We have been making some applique counterpanes for our beds.

Our flowers are mighty pretty now.

Billie Ammons had a nice visit from her mother Saturday. We know Billie was glad to see her.

Several of our girls have been made mighty happy by their clothing boxes.

—Sarah Parcell

ANNIE LOUISE

Dear Friends:

Spring is in the air. A lot of our flowers are blooming and they look mighty pretty.

Blue Sky Eagle (an Indian) gave us a program this week which we enjoyed very much. He gave several of the Indian dances and made talks in between. He also showed us how to sing a song in the Indian sign language.

We want to thank the good ladies of Circle No. 1 of St. Paul's Church at St. Pauls for the beautiful bed spread which they sent us.

Some of our girls are busy with their embroidery work. They are doing some pretty pieces.

We are planning to have some beautiful porch boxes this summer. We already have plants in four boxes and Mr. Nesbit is making some more for us.

Betty Lou Williamson, Betty Lou Davis and Betty Adams have all had visits from their mothers.

Just three more weeks until commencement. We are hoping that most of our girls will make their grades.

Five of our girls go to the show for doing good work in school during the month of March.

We have been having some basketball games in which the grammar grades played against each other. Some of our girls took part. Although we don't know so very much about basketball, we have lots of fun.

SYNOD'S

Hello Everybody:

Spring is here and we are glad to hear the birds sing once again.

Miss Taylor has been sick for about two weeks but is well now. But, she is still weak.

School is nearly out and examinations will soon be here.

An Indian came and gave us a good show and we enjoyed it. We thank him very much.

Track season is at hand and we have had two meets and won them both.

Two of our boys got on the honor role. They are Mott Price and Dick Parrish.

—Your Friends

LEES'

Well, folks, here we are, feeling fine as usual, and we hope you are feeling likewise. But, we are sad because we can't throw snow balls any more, since the snow has melted and spring has come.

We have been getting along better in school, for most of us have improved, as you would see by looking over our report cards.

We are looking forward to the time when school is out and when we can go in swimming; eat strawberries, blackberries, peaches and apples, and most of all, when vacation time comes. We hope you enjoy your vacation, too.

James Porter is spending the weed-end with his clothing people in Charlotte.

Bobby Bosworth went to Atlanta, Ga., to the wrestling meet with the Atlanta Y. M. C. A. We are proud that Bobby won his match.

Ed Cole had a nice visit from his mother.

A real Indian came and gave us some interesting entertainment.

—Tom McCall

SEVEN MORE SUNDAY SCHOOLS ADOPT PLAN

Add seven more Sunday Schools in the Synod of North Carolina to those which are following some regular plan of giving to the Orphanage, and also add some classes which have changed former plans of assistance or adopted a plan for the first time. Three of the former have adopted the Offering-per-month plan, and four others whose finances did not permit the setting aside of an offering each month for the Orphanage will give the fifth Sunday responses. It is estimated that these Sunday Schools and classes together will give between $450.00 and $500.00 to the Orphanage during the coming 12 months, and that's a very valuable sum to the institution.

Gilwood Sunday School in Concord Presbytery started the Offering-per-month plan a few months ago, but this was not ascertained until recently. Centre Sunday School in the same Presbytery made its initial fifth Sunday Offering in March, contributing $7.32 the first time.

Erwin and McMillan Sunday Schools are two in Fayetteville Presbytery which have started the once-a-month method. Erwin began it in March and sent $6.00 the first month. The April gift from Erwin was $10.00. McMillian initiated that plan in April and sent $5.29 as its first Offering.

Matthews and Nevin Sunday Schools in Mecklenburg Presbytery are joining the ranks of the fifth Sunday contributors. Matthews started this in September with a gift of $8.98; the snow in December prevented an Offering on December 29th, but the March sum was $7.80. Nevin Sunday School has notified Barium officials that the first fifth Sunday Offering for Barium will be made on May 31st.

Geo. W. Lee Memorial Sunday School in Winston-Salem Presbytery made its first fifth Sunday Offering in March, the gift totaling $27.10.

While the Greensboro First Sunday School as a whole hasn't adopted the Offering-per-month plan, the Men's Bible Class has changed its method of giving Barium a percentage of their monthly receipts to the plan of devoting all of one Offering per month. The April gift from the Men's Class was $30.00. Officials of that Class believe that a special emphasis once a month will mean more to the Orphanage than a percentage of all the month's receipts. The Young Men's Bible Class of the same church has set aside $100.00 for Barium in 1936-1937, to be sent in quarterly installments for the special support of a child that will be designated as "theirs".

Perhaps there will be others recorded in the May issue of The Messenger. A number of Sunday School superintendents were written about this in February, and several of them took up the matter in Sunday School Council meetings or appointed committees to investigate the feasibility of doing this for the Orphanage. The Orphanage appreciates the consideration given to the suggestion, and knows, from the replies that were received, that other Sunday Schools will join the others in regular, systematic giving as soon as finances permit. In many cases there are local projects supported, such as mission work and assistance in meeting debts of the church.

Sunday Schools gave over $3,000.00 more regularly than in 1933-1934, and such a magnificent two-year increase was possible because so many Sunday Schools aided in monthly gifts or fifth Sunday Offerings. It is estimated that the Sunday School total for the 1936-1937 is going beyond $17,000.00, besides that which is done at Thanksgiving. Last year the Thanksgiving Offering reported from Sunday Schools was over $6,500.00.
